Items Needed for Permit:

1. Completed application provided by Front Range Fire Rescue
2. Site plan including dimensions showing the point at which the fireworks are to be discharged; the location of all buildings, tents or other structures; highways; lines of communication; the location of the lines behind which the audience is to be restrained; the location of monitors, and the location of other possible overhead obstructions. Include the location of the electric firing unit (if applicable). Include the location of ready boxes and lighting personnel (if applicable).
3. Copy of the current Colorado Certificate of the Fireworks Display Operator or Pyrotechnic Operator.
4. Evidence of financial responsibility by the sponsor of the event and by the operator of the fireworks display. This could take the form of an insurance certificate or other document attesting to the coverage or responsibility. FRFR shall be listed as an Additional Insured.
5. Obtain and provide copies of permits and/or permissions from the Town or County.
6. Payment of FRFR Fireworks Display Permit fee and any associated after-hours inspection fees. Additional fees may be required if FRFR personnel are needed for safety standby services.

I have read NFPA 1124, *Code for the Manufacture, Transportation and Storage of Fireworks* and NFPA 1123, *Code for Fireworks Display*, and will comply with the applicable requirements of the standards while the fireworks are in my possession.
